

GUARANTEED ANALYSIS:

CONTAINS NON-PLANT FOOD
INGREDIENT
76% Silicon Dioxide (SiO₂)
Derived from Amorphous Volcanic Tuff (mined)

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATION OF LIABILITY AND REMEDIES

This product must be used and applied according to the label directions by professionals trained in the use of agricultural chemicals. This material is not intended for use by, nor should be used by, consumers.

Injury to the crop on which the product is applied may result from failure to follow the label directions, failure to follow general good application practices, or the occurrence of extraordinary or unusual weather or soil conditions, all of which are beyond RainSoil™'s control, and verification of such items is the responsibility of purchaser and user. In addition, failure to follow label directions and good practices may cause injury to other crops, animals, man, or the environment.

RainSoil™ warrants that this product conforms to the chemical description on the label. RainSoil™ makes no other warranties or representations of any kind, expressed or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. RainSoil™ does not authorize any other party to make any other warranties or representations of any kind about the product.

The exclusive remedy against RainSoil™ for any cause of action relating to the handling or use of this product is a claim for damage, and in no event shall damages or any other recovery of any kind against the RainSoil™ exceed the price of the product which causes the alleged loss, damage, injury or other claim. RainSoil™ shall not be liable and any and all claims against the seller are waived, for special, indirect, incidental or consequential damages or expenses, of any nature including but not limited to, loss of profits or income, or any liability incurred by the buyer to any third party in any way arising out of or relating to the handling, repackaging from original container or the relabeling by the buyer or user, or use of this product, whether or not based on the RainSoil™'s negligence, breach of warranty, strict liability in tort or any other cause of action based on RainSoil™'s or any other party's actions.

RainSoil™ offers this product and any buyer or user accepts it subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
